# LAST WILL AND TESTAMENT

JUDY leaves her CLEAN, WHITE gym socks to Nancy and music lessons to Kathy M.

CHAR leaves her monitor post to Kathy B. with no regrets, 3rd period study hall with 7th and 8th graders gladly.

PHIL leaves the lectures on Monticello to anyone that understands them.

JAN leaves her clarinet to anyone who can survive through lessons; she leaves her locker to be used for "extra-needed" space and says au revoir to this "messed-up" school!

SHEILA leaves 3rd period gym class to anyone who can put up with the 7th and 8th grade girls and noontime rushes to the post office to Beth.

KATH leaves "cheerleading refreshments" to Cin, her ability to sing loud and off key to Wendy and yearbook editing to Terray, oh yes, and Chestertown to who ever can stand its hassels.

STELLA leaves bus #5 to any junk dealer dumb enough to take it; one dolphin and/or trainer to Reneé; and one free trip to Pease, Airplane Patch, N.H. to Annie.

JACKIE leaves her cigarette breaks to a certain few girls in the tenth grade; Mrs. Blanchard's triscuit crackers to who ever is sneaky enough to steal them; a six pack to Scrawny and her nightly place at the parties to Lee-Ann.

DEBBIE leaves her physics lab partner to anyone who can stand him and her piano to Mr. Searles.

PAT leaves her "screwdrivers" to Mr. Ross and Coach, her ability to have 3 dates in one nite to Mindy and her excuses to get out of school to Sue H.

JACK leaves his \$2.99 "Zayre" special sneakers to Don S., Mr. Ross's Law class to anyone who can understand his mumbo-jumbo, Mrs. Luke's study hall to talkative Mrs. Lambert and last of all, the Book, "I.H." to Sharon Whipple.

LISA leaves the house and a six-pack of 7-up to Jeff, her memories to whoever remembers them, a bag of caramels to Lee and Donna, and NOTHING to Delia C.

RENEE leaves Anne a one-way ticket to Phoenix, Arizona and a black German shepard; her ability to get into trouble and the route to Lake George to Carol S.; and her "flashies" to Kathy H...in hopes that Mrs. Germain appreciates it!

DANNY leaves his ability to play basketball to Mike Ross, a powerful 8 H.P. Sno-Prince to Don L. (if he can handle it) and a pair of NEW white socks to coach.

JIM leaves his ski-roule to anyone who has the guts to wind it out, his membership in the K-Klub to Dubby, and one can of Crisco to David T.

BONNIE leaves her seat on the B.O.C.E.S. bus to anyone who can stand the ride and her 3rd period gym class to Rachel W. if she can put up with the 7th and 8th graders.

SUE leaves her locker next to Terray's to Cindy T. in hopes that she can handle it and her place in "Speedaway" to Wendy W...otherwise she's just glad to get out of the place.

ANNE leaves one dolphin to Renee, Schroon Lake and the Black Bear to Lee, and she leaves Maude to Mr. Willets.

JEANNE leaves her hic-ups to the alto section, her Junior Prom notebook to Jim O.---if he can find it, her understanding of Math to Mr. W. and Mr. R's smile to no one.

GERARD leaves conservation class to Ronald E. and a bucket full of bubble gum to D. Deloria.

TERRY leaves a pair of broken glasses to coach, one French horn to any fool who would want it, and his spelling ability to any person who can read it.

LARRY leaves his white socks to Tony Russo, his fluorescent jacket to Mark Prossick and his cards to Dubby Hill who can't play.

FRED leaves his basketball ability to Mike in hopes it will help, he leaves his dirty socks and sex-appeal to Don.

STEVE leaves his hair to Mr. Ross so that he may extend his sideburns, and his wall-to-wall pinup poster of Donny Osmond (shirtless) to Don Smith so that he can have someone to go to sleep with.

To everything there is a season,  
and a time for every purpose under the heaven.

A time to be born, and  
a time to die. A time to plant, and  
a time to pluck up that which is planted.

A time to kill, and  
a time to heal. A time to break down,  
and a time to build up.

A time to weep, and  
a time to laugh. A time to mourn,  
and a time to dance.

A time to cast away stones, and  
a time to gather stones together. A time  
to embrace and a time to refrain from embracing.

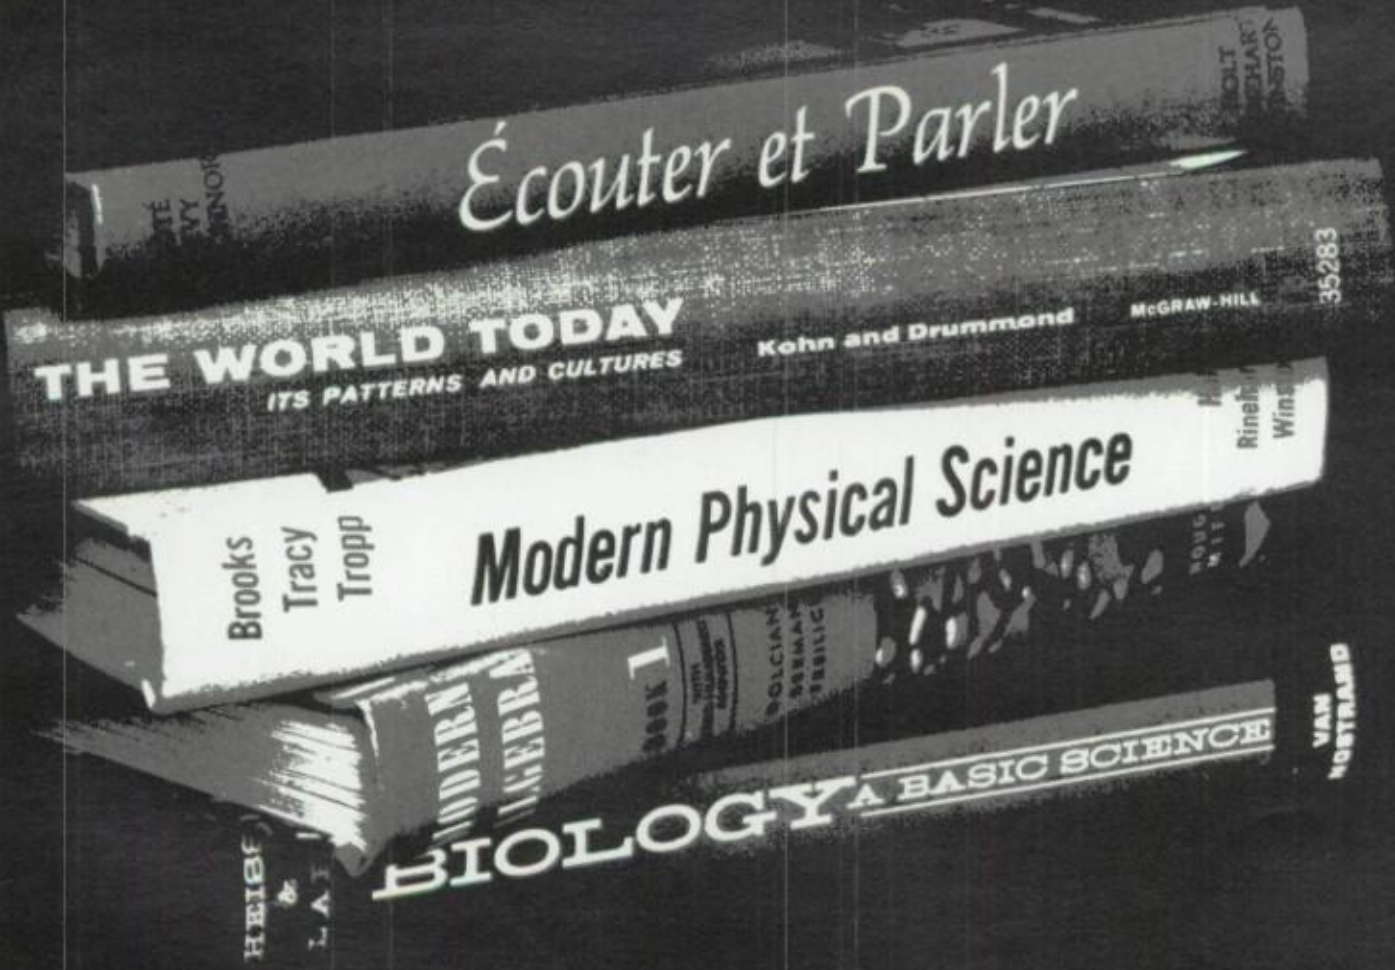

A time to get, and  
a time to lose. A time to keep, and  
a time to cast away.

A time to rend, and  
a time to sew. A time to keep silence,  
and a time to speak.

A time to love, and  
a time to hate. A time of war, and  
a time of peace.

Dear Donna,  
 It was alot  
 of fun driving  
 around last winter,  
 and going to dances at  
 Portersville, and don't forget  
 getting wiped-out! Take care,  
 and be good. You're a great kid  
 and stay the way you are. I'll see  
 you around this summer, don't forget  
 to D.Q.

Love,  
 Diane

Donna,  
 We've had alot of fun so far... running into  
 ladies while skiing, hiegh-o-o-o!, traveling at  
 dances, getting wiped out, Timmy and Matt, the  
 hurricane at P.E.I., and all sorts of crazy  
 things. You're alot of fun and I hope you  
 stay the same and we're always friends.

Love,  
 Carol

Best Wishes  
Mary Richardson

Best of Luck all  
of your life  
Samuel McCall

Dear Donna,

I have known you only a short while  
but already I can see some very fine qualities  
that should guide you through a wonderful  
future - God Bless You Always -  
Love, Mrs. B.

Donna, to a  
Good Luck in law.  
Great sister in law.  
Please, don't burn up  
my chicken sandwiches.  
I have lots of this summer  
but at least behave twice  
a week!

Love,  
Darlene

To Aunt Donna  
XOXOXO  
Love JENNIFER
